

Mojave Desert Off-Road Trip

This trip is geared for those who have a little experience driving off road. But if there is enough interest a trip can be arranged for beginners. See below for requirements.

Equipment Requirements:

- 4-wheel drive vehicle
- Camp gear
- Food and drinks for two days

Optional, but recommended equipment:

- Skid plates on vehicle
- CB radio
- Flat tire repair kit
- Basic tools
- Camera
- Handheld GPS

General trip plans:

- Spend Friday night in motel in area close to Saturday morning starting point
- Off-road all day Saturday and camp in the desert Saturday night
- Off-road most of Sunday and head home late Sunday
