Here's what clients have to say...

My dog is like a child to me. I love her so much that I worried about her being unhappy if I left on vacation. MY worries are over now that I HAVE CHANA to take care of her. Chana loves her too. She plays and takes excellent care of her.

I highly recommend Chana as a pet sitter. She cares for my dogs with so much love and tenderness. She is the best.

Steve and I consider Sam, our yellow Labrador, our family. We are cautious parents. When we travel, we no longer worry (and we don't call home daily) because Chana is with Sam. We just know he is well taken care of: but most of all, he is well loved.

Chana is an extremely caring and devoted pet sitter. She is honest, loving and trustworthy. Chana is reliable and seems to always be available when we need her. Her four legged "clients" always come first. My two dogs adore her and we consider her part of the family. She is simply the best there is and we all love her.

Cindy Cortez
Crestline

Chana has been a very reliable and loving companion to our cats and dogs, and we adopted her as part of our family. I would highly recommend her to anyone who needs this service and wants their pets taken care of in a wonderful way.

Geoffrey and Joan Harris
San Bernardino

Chana is one of the most loving and caring pet sitters we have ever had. Our full grown Shepherd, "Baby," our medium size Shepherd mix, "Scooter," and our new Labrador puppy "Ebbie," get so excited when she comes to care for them. We are very fortunate to have her care for our pets and our home when we travel. We do not have to worry when she is here. She gives our pets the same loving attention that we would give.

Linda and Doug Allen
Arrowbear Lake

Chana is a real gift! She takes care of our pets and looks out for our home. Whenever we travel we know that we do not have to worry about our home. Plus, she responds quickly whenever we call her.
